

The Department of Philosophy of Providence College announces a conference on “**Metaphysics in the Aristotelian Tradition**”. The purpose of the conference is to investigate Aristotle’s *Metaphysics* (and *metaphysics*) within the context of its medieval reception, particularly in the Arabic and Latin traditions, and at the intersection of theology, philosophy, and the sciences. Colleagues from the greater Boston area are warmly invited to attend.

Friday, September 23

- 9:15 - 10:15 am **Thérèse-Anne Druart**, The Catholic University of America:
“How an Islamic Theological Concept Became Part of the Aristotelian Metaphysical Tradition: The Transcendental ‘Thing’ (Res)”
